

Demo Accounts

The database contains several predefined demo accounts. The password for all predefined accounts is **123456**.

Account Registration

Event Organizers and Event Enthusiasts can create their own accounts through the **Sign Up** page.

Admin and Support Accounts

Admin and Support accounts must be added manually to the database. Admin accounts should use the email domain **@eventhuba.com**, while Support accounts should use **@eventhubs.com**.

Predefined accounts are also available in the database and can be used for testing.
